EDUCATION

COLLEGE OF FOUNDATION VANADZOR STATE UNIVERSITY AFTER H. TOUMANYAN September 2019 - June 2025

SOFTWARE PROVISION FOR COMPUTER TECHNOLOGIES AND AUTOMATED SYSTEMS VOCATIONAL / DIPLOMA / MIDDLE PROFESSIONAL EDUCATIONAL Vanadzor, Armenia

EXPERIENCE

SELF-EMPLOYED / FREELANCE | SOFTWARE DEVELOPER

September 2025 – Present

- Developed a custom object-oriented Python chess engine, implementing core game logic, board state management, and move validations.
- Built a modern, interactive 3D developer portfolio using Three.js, JavaScript, and HTML/CSS, hosted on GitHub Pages.
- Implemented and optimized fundamental Data Structures and Algorithms (Searching, Sorting, Linked Lists, Queues) in Python and JavaScript.
- Solving algorithmic problems and core logic optimization, validated with HackerRank certifications.

SKILLS

PROGRAMMING LANGUAGES	Python, JavaScript, HTML5, CSS3
LIBRARIES/FRAWORKS	Three.js
TOOLS / PLATFORMS	Git, GitHub, VS Code

PROJECTS / OPEN-SOURCE

INTERACTIVE 3D DEVELOPER PORTFOLIO | LINK

JavaScript, Three.js, HTML5, CSS3, Git

- Designed and deployed an interactive developer portfolio featuring 3D particle animations using Three.js.
- Implemented responsive design, custom contact forms, and GitHub stats integration.
- Hosted publicly on GitHub Pages for live demonstration.

CERTIFICATIONS

- Python (Basic) Certificate - **HACKERRANK**
- Problem Solving (Basic) Certificate - **HACKERRANK**

HONORS & AWARDS

- HackerRank Skills Verification Badges for Python and Problem Solving
- Graduated with Honors as Technician-Programmer from Vanadzor State University College
